McCord goes mobile!

In addition to this year's awards and on-course games, our fourth annual event will feature an exciting new silent auction platform with bidding available right from your smart phone, tablet or home computer. Hosted at McCordGolf.gesture.com, participants can log in and view auction items up to a week prior to the event, place bids, get updates, and join in the fun right up to when the auction closes on the evening of the event, August 28. Sign up today!

Scoring and Rules

Prior to the event, each foursome will choose to compete for prizes in either a "best-ball" scramble format or as individuals in head to head play for top score in categories for men and women. Foursomes cannot split between formats. Pace of play, as always, is critical to a successful and fun outing for all. Ruffled Feathers is a beautiful but challenging course, so foursomes with higher handicap golfers are encouraged to choose the best-ball format. There are more prize options for best-ball, and it's just more fun!

The McCord Mission

To preserve the McCord home as a learning center for the arts and cultural history while showcasing the artwork of local and regional artists. A dream come true, McCord's Anderson Annex for the Arts is now open for classes and events. We want to thank the many donors who have helped to make this dream a reality and hope that you will enjoy this beautiful addition to our community. But don't stop there! McCord depends on events like this golf outing, our annual Black and White Fundraiser and the generous support of local businesses and donors to continue its mission.

McCord Gallery and Cultural Center is a 501(c)(3) organization.

JOIN US FOR A GREAT DAY OF GOLF AND HELP SUPPORT AN EVEN GREATER CAUSE

The music, art and cultural programs offered through the McCord Gallery and Cultural Center in Palos Park have a tremendous impact on our community. The Gallery provides programs for children, teens, adults and seniors.

In 2012 McCord initiated an outreach program to extend opportunities to underserved members of the community. Programs implemented by outreach coordinator, Jeanne Krapauskas, include classes taught by Beth Leahy and Mary Michaelson for the developmentally disabled clients of Park Lawn both at their facility and at McCord.

As we grow, we are hoping to increase the number of organizations we serve outside the Gallery. The Fourth Annual McCord Gallery Golf Outing will help fund our growing operations budget as we expand services and care for our newly constructed Anderson Annex for the Arts.

With your financial assistance and/or attendance at the outing, we are hoping to raise the needed funds to meet our goals and those of our community.

We ask that you consider being an Event Sponsor, booking a foursome, sponsoring a hole, donating items or services for the raffle or simply send a contribution to help. We cannot

expand our reach without the support of our dedicated community members and local businesses.

Use the attached form or call the McCord Gallery today at **708-671-0648** and join us for a memorable day.
